

## Aqu-A Brasion ( Bubble Edition )

**Pore Purifying & Refining × Restorative Hydration × Silky Radiance Boost**

Through gentle physical purification and ultra-fine mist care, restore your skin's pure touch and reveal a luminous, hydrated glow from within.

## Does your skin struggle with any of these?

- ◆ **Oil Buildup** : Pores can feel heavy and burdened by excess oil during the summer months.
- ◆ **Rough Texture** : The accumulation of dead skin cells leaves the face feeling less than refined.
- ◆ **Dullness** : A lack of hydration and nutrients results in a tired, lackluster complexion.
- ◆ **Blackhead Concerns** : Deep-seated impurities that everyday cleansing simply can't reach.

## Exclusive Ultra-Fine Hydrating Mist

- ◆ **Ultra-Fine Atomization** : Transforms nutrients into micro-molecules to maximize skin absorption efficiency.
- ◆ **Cooling & Soothing** : Instantly cools the skin post-cleansing for a refreshing and revitalized feel.
- ◆ **Softening Protection** : Creates a hydrating protective veil on the surface to lock in moisture long-term.
- ◆ **Deep Cleansing** : Gently metabolizes dead skin cells to eliminate roughness and refine skin texture.
- ◆ **Pore Purification** : Absorbs excess oil and impurities, allowing pores to "breathe" while reducing greasiness.
- ◆ **Nutrient Infusion** : Replenishes moisture and antioxidant essences to strengthen skin defenses for a dewy, translucent glow.

## Who is the Aqua Skin Refiner for?

- ◆ **Combination Skin** : Keep pores clear and oil-free with ease.
- ◆ **Skincare Lovers** : Maximize your skincare routine's effectiveness.
- ◆ **Busy Professionals** : Quick, professional care with no downtime.
- ◆ **Special Occasions** : Get that instant glow and flawless makeup finish.
