

Dual-Action Pure Soothing Device

Dual-Temp Tech × Soothing Repair × Express Skin Revitalization

Utilizing dual thermal control to gently open absorption pathways and icy cooling to lock in deep hydration—achieve a translucent radiance as fresh as morning dew.

The gentlest, most stable thermal care for your skin.

- ◆ **Morning** : Refines uneven skin texture for a smoother, more flawless makeup application.
- ◆ **Night** : Relieves the day's fatigue while restoring skin from environmental stressors.
- ◆ **Seasonal Change** : Combats dryness and sensitivity during seasonal transitions to maintain stable hydration.

Smart Synchronization, Enhanced Defense.

- ◆ **Instant Switch** : Seamlessly transition between cooling and heating functions for a responsive skincare experience.
- ◆ **Dynamic Cycling** : Leverages physical thermal-alternation to strengthen the skin's defense against environmental stressors.
- ◆ **Professional-Grade Care** : Condensing advanced spa-level thermal technology into the palm of your hand.
- ◆ **Sensory Feast** : Skincare is no longer just a routine, but a profound sensory journey of restoration.
- ◆ **Precision Temp Control** : Effortlessly toggle between a crisp 10°C chill and a comforting 40°C-60°C warmth.
- ◆ **Physical Synergy** : Utilizing physical thermal-cycling to bestow skin with a supple, bouncy, and translucent texture.

Warmth to Awaken, Cool to Seal.

- ◆ **Step 1** : Warming Softens keratin and enhances moisture intake for effortless absorption.
- ◆ **Step 2** : Cooling Calms the skin and seals the hydrating essence into the base.
- ◆ **Total Effect** : Achieves immediate translucency and a seamless, high-efficiency skincare ritual.
