

## KJX Thermal Care Device

Radiant Thermal Energy × Mid-Frequency Rhythm  
× Restoring Mind-Body Balance & Vitality

Combining thermal energy technology with deep rhythmic pulses, this device gently releases the weight of daily stress, revitalizing your body and bringing back a sense of light, effortless balance to your home care routine.

## Modern Body Burdens

- ◆ **Sedentary Lifestyle** : A heavy, sluggish feeling in the body.
- ◆ **Air-Conditioned Environments** : Cold extremities and slow circulation.
- ◆ **High-Pressure Living** : Tense, stiff muscles that won't relax.

## Dual-Action Core Technology

- ◆ **Radiant Heating Technology** : Provides stable and continuous warmth, delivering a soothing sensation that permeates from the surface to the interior.
- ◆ **Mid-Frequency Rhythmic Pulsation** : A gentle pulsing design that reaches deep to relax tense areas, adding a multi-layered dimension to stress relief.
- ◆ **Synergy Effect: Heat + Rhythm** : A 3D wellness experience that doubles the efficiency of your routine.
- ◆ **Wide-Range Temperature Control** : 30°C–70°C Flexible adjustments to meet every need, from gentle warming to deep thermal relaxation.
- ◆ **Dual-Linked Probes** : Synchronized operation over large areas to enhance efficiency; ideal for the back and thighs.
- ◆ **Spherical Probes** : Point-to-point reinforcement for targeted areas, providing deep pressure for specific tightness.

## Highlights: Refresh, Revitalize, Restore

- ◆ **Tension Relief** : Helps relax stiff areas and restores a sense of lightness in every movement.
- ◆ **Thermal Vitality** : Enhances body warmth to maintain an environment of optimal comfort and metabolic harmony.
- ◆ **Body Sculpting & Care** : Pairs thermal energy with rhythmic pulses to support skin maintenance and enhance a healthy, radiant glow.
- ◆ **Say Goodbye to Fatigue** : Quickly dissolves daily exhaustion and reinjects a fresh burst of energy into your body.
